TEST ORDERING: 2 STEP PROCESS

- **JOIN YOUR COURSE IN MYAP ON COLLEGEBOARD.ORG**

See the attached join codes for courses you’re taking. Sign in to collegeboard.org (if you don’t have an account, create one). Click “AP” then “Join a Course or Exam” and enter the join. **We cannot order your exams until you join your course in College Board. Joining in College Board is required, but is not the same as being registered to test!**

- **REGISTER AND PAY FOR EXAMS**

We will use Total Registration again to register for exams. Total Registration is a web-based program which collects payment for standardized tests. Begin talking with your parents now so that your family can prepare registration/payment by the **November 15 deadline**. Final Payment is due **March 15, 2024**. Even if your exam is free due to lunch status or STEM waiver, you still need to go into Total Registration and order the test.

All exams not paid for by lunch/STEM status require a \$40 non-refundable deposit, which must be paid at the time of registration.

How to access Total Registration (next page):

*The fees listed on page one apply to students who joined their AP class in College Board before the exam registration deadline of 11/15/2023. If you join after and want to test, you must pay a \$40 late registration fee **per exam**.

**Exams which have not been paid for in full by 3/15/2024 will be canceled by MCHS.

***Lunch status will be verified by MCHS before waiving test fees. For us to do this, you must

1- have applied and been found eligible for Free/Reduced lunch

AND

2- have turned in a "permission to share information with other programs" form (included with the Free/Reduced Lunch application; also available in counseling office).

Free/reduced lunch waivers will be denied if these are not done!
