Dear Parents,

Each elementary school in Madison County offers an After School Program (ASP) for PreK – 5th grade. The daily rate is \$8.00 per child. In addition, there is a one-time yearly registration fee of \$10.00.

The after school program begins on the first day of school and the hours are from 2:45 pm – 6:00 pm. Late fees are accrued if your child is picked up after 6:00 pm. 6:01 is considered late. The late charge fee is \$1 per minute per child. Students are dismissed from the program after 3 late pickups.

The focus of ASP is the safety of our children. ASP begins each day by providing the boys and girls with a snack and drink. Then the students are assisted with completing their homework. There are also a wide range of fun activities to choose from each day. Some of the activities include:

- Outside play time
- Organized games
- Craft projects
- Sidewalk chalk drawing
- Board games
- Reading
- Movies
- Computer lab time

Payments

Payments must be paid weekly.

- Online payments are encouraged through Parent Portal. You may send payment in your child's folder in an envelope labeled "ASP". These payments should be separate from other fees sent to school.
- **The Madison County School System Afterschool Program does not accept CAPS students. The new state regulations on the program and requirements to receive the funds due to the school have become unmanageable.**

We are excited to have your child in our program. Please feel free to contact me with any questions or concerns regarding your child and our program.
